● Race Over

When the race is over, the places and points accumulated are displayed.

PLAYING AGAINST OTHER PEOPLE

Anywhere from 1 to 4 players can play simultaneously in the F-1 Race MULTI GAME.

To play with two players, you will need the following:

- 2 GAME BOY systems
- 2 F-1 Race Game Paks
- 1 Game Link Cable

(1) Connect the Game Link cable as shown in the figure on the left. Insert both F-1 Race Game Paks and turn both units' POWER switch ON at the same time.

(2) After making sure that the title screen appears on the two GAME BOY units, choose "MULTI GAME" on both units and press the Start Button.

NOTE: If the Game Link cable is not securely connected, or it is pulled out and re-connected during play, the game will not function correctly. If this happens, turn both unit's OFF and start again from step one.

The player that selects MULTI GAME first will become RACER 1-CAR 1 and will be in control of selecting the options for the game.

To play with three or four players, you will need the following:

- 3 or 4 GAME BOY systems
- 3 or 4 F-1 Race Game Paks
- 3 Game Link cables
- 1 Four player adapter (DMG-07)

(1) Connect the first GAME BOY unit to the Four Player Adapter using the cable that is connected to it. Then use the three Game Link Cables to connect all other GAME BOY units to the Four Player Adapter.

(2) Correctly insert the F-1 Race Game Paks into all of the GAME BOY units. Starting with the first GAME BOY unit, turn all of the POWER switches ON.

(3) After making sure that the title screen has appeared on all units, everyone should select MULTI GAME.

NOTE:

If the title screen does not appear on all units, start again from step (1).

HOW TO Play

The game will play the same way as the one player mode in MULTI GAME except that you will be playing against human opponents. The computer will operate any cars that are not human controlled.

NOTE: The player driving car 1 should wait until all cars are shown as not being computer controlled before pressing Start.

TECHNIQUE

CAR TYPES

Car TYPE A has great cornering ability. TYPE B has high speed.

JET

You have limited nitro JET power, so use it wisely. Some corners can be taken with nitro acceleration.

SLIP STREAM

If you get right behind another car there will be less wind resistance—you'll be able to really cruise! Use some nitro, and you'll really fly!
